LAW FIRM ASSISTS LONG BEACH RONALD MCDONALD HOUSE

Event Sponsorship by Adelson, Testan, Brundo, Novell & Jimenez Part of Firm's National Community Support Program

LONG BEACH, May 4, 2017 – Nearly three dozen attorneys and staff members of the Long Beach office of Adelson, Testan, Brundo, Novell & Jimenez (ATB), a leading workers' compensation defense law firm, along with their families participated in The Walk for Kids™ held recently by the Long Beach Ronald McDonald House. Besides arranging for employees and their families to raise funds by walking, ATB was a sponsor of the event and provided beverages and food for all participants.

"We were inspired to work with the Ronald McDonald House here by one of our long-time employees whose family members benefited from their services and have been ardent supporters ever since," said Sophia Cacos, regional managing partner, Southern California for ATB. "It was so heartening to see every employee in our Long Beach office enthusiastically join with many individuals and businesses to support the wonderful work Ronald McDonald House does for children who are ill and their families."

For the law firm, the sponsorship of the Long Beach Ronald McDonald House is part of its ATB Cares, a national initiative started this year that will involve each of its 27 offices around the country in various community outreach activities.

According to the Long Beach Ronald McDonald House, the event, which was held at Shoreline Park, has raised more than \$269,000 and is "a lifeline for our House and the families we serve, helping to cover a significant portion of our approximately \$1.3 million annual operating budget."

The Walk for Kids™ is a fun, family-friendly 5K walk designed to raise funds and awareness for the services and programs provided Ronald McDonald House Charities of Southern California. The seven programs that comprise RMHCSC all participate in raising funds and awareness with their individual walks throughout Southern California.
