ADELSON, TESTAN, BRUNDO, NOVELL & JIMENEZ RECOGNIZED AMONG TOP U.S. LAW FIRMS FOR MINORITY ATTORNEYS

National Workers' Comp Defense Firm Earns #20 Ranking from Law360

NEW YORK, May 20, 2016 – *Law360*, a leading publication covering law firms and legal developments, has ranked Adelson, Testan, Brundo, Novell & Jimenez (ATB) among the top U.S. law firms for minority attorneys.

The publisher ranked the 100 best U.S. law firms for minority attorneys from more than 300 firms surveyed based on three factors: the total number of minority attorneys, the percentage of nonpartner attorneys who are minorities, and the percentage of the firm's partners who are minorities.

According to *Law360*, based on those three factors, ATB ranked 20th best among more than 300 firms surveyed.

"One of the keys to our success ever since we established our firm 20 years ago is our commitment to hiring the most talented individuals in our profession and giving them the opportunity to advance their careers within the firm," said Steven Testan, founder and senior managing partner of ATB. "Our focus has always been to foster an inclusive culture that brings together a pool of the brightest and most talented attorneys to serve the needs of our clients. Not surprisingly, the diversity of our firm mirrors that of our growing client base and gives us the language skills and cultural awareness to deliver consistently high levels of service for all of our clients across the U.S."

Headquartered in Westlake Village, CA, ATB is a national law firm with 142 attorneys in 26 offices. The firm's primary focus is on the defense of workers' compensation claims, employer's liability and related matters as well as the defense of its clients in personal injury and civil litigation cases.
