LAW FIRM ASSISTS ROSEVILLE CITY SCHOOL DISTRICT

Adelson, Testan, Brundo, Novell & Jimenez Sponsors Run4Roseville Fundraiser

SACRAMENTO, May 9, 2017 – Nearly two dozen attorneys and staff members of the Sacramento office of Adelson, Testan, Brundo, Novell & Jimenez (ATB), a leading workers' compensation defense law firm, along with their families recently participated in the Run4Roseville. ATB also was a major sponsor of this year's event, which included 5K and 1-mile runs and a 'Lil Ones 100-yard dash to benefit the students of Roseville City School District.

"We're delighted to join with the members of the community and other sponsors in supporting the Roseville City School District Foundation and the outstanding work it is doing for students throughout the district," said Hilary McLaughlin, co-managing partner of ATB's Sacramento office. Since 2005, Run4Roseville has welcomed more than 6,000 runners and has raised \$250,000 to benefit students within the Roseville City School District, according to the Roseville City School District Foundation. Run4Roseville, the foundation's primary fundraiser, is "... a community run that brings together students of all ages, parents, grandparents, teachers, and community and business leaders to support and enrich our children's education."

The Roseville City School District Foundation's mission is "to enhance, expand, and enrich the education of each child in the Roseville City School District. Our vision is to engage the entire community to participate in realizing this mission. All proceeds go back into classrooms through music education and our classroom Partners In Education (PIE) Grant Program." According to Ms. McLaughlin and Shea Conway, co-managing partners, the Run4Roseville sponsorship is one of many community activities of ATB's Sacramento office. Altogether, they are part of ATB Cares, a national initiative involving each of the law firm's 27 offices around the country in various community outreach activities.
